

STATE FINANCIAL OFFICERS

Unrivaled Leaders in Fiscal Responsibility

In late February 2025, the State Financial Officers Foundation commissioned a national survey, and the findings were significant.

State financial officers are **more trusted** than Governors and **over twice as trusted** as Congress to make the right decisions on fiscal and financial matters.

STATE FINANCIAL OFFICERS ARE **MORE TRUSTED** THAN GOVERNORS, ATTORNEYS GENERAL, AND STATE LEGISLATORS TO:

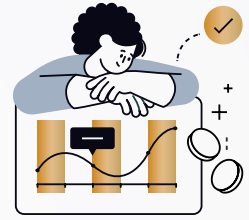

Ensure Financial Transparency In Your State Government

Provide Fiscal Management In Your State

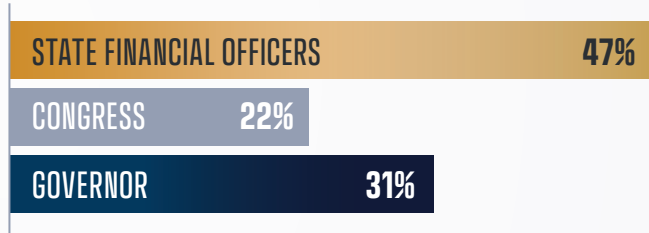

Oversee State Investments

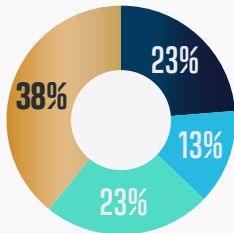

Ensure Taxpayer Money Is Being Spent Efficiently And Effectively

When it comes to state fiscal and financial matters in general, **who do you trust more to make the right decisions for your state?**
